

Abstract of OFTs and FLDs-2021-22 at KVK, Mandya

LIST OF OFTs

Sl. No.	Title	No. of trials	Area (ha.)	Stages
1.	Assessing the performance of Hybrid Napier varieties in Mandya District (New)	03	0.24	Farmers selected
2.	Assessment on Management of Mites and Thrips in Mulberry (New)	03	0.6	Farmers selected
3.	Assessment of nano fertilizer (N & Zn) on growth and yield of maize (New)	05	1.0	Farmers selected
	Total	11	1.84	

LIST OF FLDs

Sl. No.	Title	No. of demo	Area (ha.)	Stages
1.	Demonstration of new paddy variety MSN-99 (New)	15	6.0	Farmers selected
2.	Demonstration of short duration ragi variety KMR-630 (Contd.)	10	4.0	Farmers selected
3.	Integrated Crop Management in Maize (Contd.)	10	4.0	Farmers selected
4.	Integrated crop management in Field bean (New)	10	4.0	Farmers selected
5.	Precision farming in Capsicum under open field condition (Contd.)	10	4.0	Farmers selected
6.	Integrated crop management in Potato (New)	10	2.0	Farmers selected
7.	Nutrient Management in paddy for yield enhancement under salt affected soils (Contd.)	10	4.0	Farmers selected
8.	Demonstration of Tomato Hyb. Arka Abhed (Contd.)	10	2.0	Farmers selected
9.	Integrated pest Management in Cabbage (Contd.)	10	2.0	Farmers selected
10.	Integrated management of murda complex in Chilli (New)	10	2.0	Farmers selected
11.	Integrated Crop Management in Banana (Contd.)	10	2.0	Farmers selected
12.	Integrated Crop Management in Ridge Gourd (New)	10	2.0	Farmers selected
13.	Integrated Crop Management in ginger (New)	10	1.0	Farmers selected
14.	Demonstration on growth regulator GA ₃ foliar spray in enhancing yield of Chrysanthemum var. CO-1	10	1.0	Farmers selected
15.	Demonstration of improved silkworm hybrid FC-1 X FC-2 (Contd.)	10	1000 DFLs	Farmers selected
16.	Integrated Nutrient Management in Mulberry (Contd.)	10	4.0	Farmers selected
17.	Integrated management of leaf roller in Mulberry (New)	10	2.0	Farmers selected
18.	Demonstration on Phytoecdysteroid for Synchronized Maturation of Silkworms	10	-	Farmers selected
19.	Integrated uzi fly management in silkworm rearing	10	-	Farmers selected
20.	Urban Terrace Gardening (New)	5	1 SHG	Farmers selected
21.	Demonstration of nutrifarms for year round nutrition security among farm families	25	1 SHG	Farmers selected
22.	Coconut : Value Addition, Branding and Market Linkage (EDP)	5	1 SHG	Farmers selected
	Total	230	46.0 + 3 SHGs	

On campus training programmes (Online) :

Sl. No.	Date	Title	No. of participants
1	13.05.2021	Improved varieties and cultivation practices in pulses crops (Online)	52
2	17.05.2021	Integrated crop management in banana (Online)	49
3	19.05.2021	LET FOOD BE THY MEDICINE (Online)	36
4	21.05.2021	Improved practices of mulberry cultivation and sericulture (Online)	71
5	28.05.2021	Malnutrition among farm women (Online)	
6	03.06.2021	Integrated crop management in Coconut (Online)	60
7	04.06.2021	Improved mulberry cultivation rearing of double hybrid silkworm (Online)	28
8	07.06.2021	Agro forestry and use of medicinal plants (Online)	40
9	10.06.2021	Integrated crop management in Banana (Online)	39
10	12.06.2021	Importance of soil testing, nutrients in growth and their deficiency symptoms (Online)	30
11	18.06.2021	Integrated management pests in mulberry (Online)	49
12	18.06.2021	Efficient use of fertilizers in agriculture, importance and use of nano urea as part of fertilizer awareness programme (Online) - IFFCO	51
13	18.06.2021	Integrated Crop Management in pulses crops (Online)	35
14	23.06.2021	Integrated Pest Management in maize (Online)	37
15	23.06.2021	Importance of weather forecasting in agriculture (Online)	38
16	25.06.2021	Importance of soil testing, nutrients and deficiency symptoms and management of problematic soils (Online)	35
17	28.06.2021	Mushroom cultivation and value addition (Online)	25
18	29.06.2021	Precautionary measures in agriculture during Covid-19 situation (Online)	30
19	02.07.2021	Improved cultivation practices in paddy (Online)	30
20	07.07.2021	Integrated crop management in maize and integrated pest and disease management in redgram (Online)	22
21	07.07.2021	Management of anemia among women and children (Online)	32
22	16.07.2021	Integrated Crop Management in Coconut	30
23	16.07.2021	Management of mal nutrition among children and women	100
24	19.07.2021	Improved technology in mushroom cultivation and value addition	45
		Total	1001

Off Campus trainings:

Sl.No.	Date	Place	Title	No. of participants
1	02.07.2021	Choudugonahalli Nagamangala taluk	Importance and use of bio-fertilizer, bio-agents in pulse crops	43
2	02.07.2021	Kharadya, Nagamanagala taluk	Importance of soil testing and use of organics for improving soil organic carbon	29
			Total	72

Important days

Sl.No.	Date	Title	No. of participants
1	20.05.2021	World bee day	45
2	01.06.2021	World Milk Day	34
3	17.07.2021	Tree plantation on the eve of 'ICAR Foundation Day' (100 Plants) : Jackfruit-34 Dragonfruit-20 Gauva-20 Jamun-6 Sapota-10 Mango-10	25
		Total	105
